There's a light, certain kinda light  
Never ever, never shone on me, no, no  
Honey, I want, I want my whole life  
To be lived with you, babe

That's what I want  
Oh, was to be living and loving you  
There's a way, oh, everybody say  
You can do anything, every thing, yeah

But what good, what good  
Honey, what good could it ever bring  
'Cause I ain't got you with my love  
And I can't find you babe, no I can't

You don't know, you don't know what it's like  
No you don't, honey, no, you don't know  
You don't know what it's like  
To love anybody

Oh honey, I wanna talk about love  
And trying to hold somebody  
The way I love you, babe  
And I've been loving you, babe

In my brain, oh, I can see your face again  
I know my frame of mind, yeah  
But nobody, nobody has to ever be so blind  
Honey, like I did, I know I was blind  
Honey, I tell you that I was, I was very, very blind

Oh, but I'm just a girl  
Can't you just take a look at me and tell  
Tell that I live, honey, I live and I breathe for you  
Don't you know I do?

But what good, what good  
Honey, what good could ever do  
'Cause I ain't got you, that's all I've ever wanted  
And I ain't got you, babe, oh, but I've been looking  
'round

But you don't know, you don't know what it's like  
No you don't, no, no, no, you don't know  
Honey, you don't know what it's like  
Oh, to love anybody

Oh, honey I wanna talk about  
Trying to hold somebody when you're lonely  
The way I loved you, baby  
And I just want you to know I tried

Oh, I know that there's a way  
'Cause everybody came to me one time and said  
"Honey, you can do anything  
Every little thing" and I think I can

Oh, but what good, what good  
Honey, what awfully good can it ever, ever bring  
'Cause I can't find you with my love  
And I can't find you babe, oh anywhere

Oh, but you don't know, you don't know what it's like  
No, you don't and you never ever, ever did  
You don't know, honey, you don't know what it's like  
Oh, to love anybody

Oh, honey I wanna talk about trying to hold you  
Oh baby, baby, baby, yeah  
But you don't know, you don't know what it's like  
And you never ever, ever did  
I said, "I tried to throw my love around you  
And I tried to help you, darling"

But you never ever, no you never ever  
No you never ever, no you never ever  
I know that you know that  
No you never ever, ever, ever  
Oh, let me throw my love  
Throw my love all around you, yeah
