Mmmm.

When you told me that I was a star in the sky,  
Baby I believed every word.  
And you seemed so sincere,  
It was perfectly clear,  
Cause forever was all that I heard.  
And every little kiss,  
From your tender lips,  
Couldn't of been a lie.  
I fell hard over head,  
Without a saftey net,  
And I don't understand this goodbye.

Was I the only one who fell in love?  
There never really was the two of us.  
And maybe my all just wasn't good enough.  
Was I the only one, only one, in love?

As I walk down the hall,  
See the place on the wall,  
Where the picture of us used to be.  
I fight back those tears, cause I still feel you here.  
How could you walk out so easily?  
And I don't understand, how I can feel this pain, and  
still be alive.  
And all these broken dreams,  
And all these memories,  
Are killing me inside.

Was I the only one who fell in love?  
There never really was the two of us.  
And maybe my all just wasn't good enough.  
Was I the only one, only one,  
Tell me, what I'm supposed to do with all this love?  
Baby, it was supposed to be the two of us.  
Help me, cause I still don't want to believe.

I was the only one.  
I was the only one.  
I the only one who fell in love.  
There never really was the two of us, hey.  
And maybe my all just wasn't good enough.

I the only one, the only one.  
I the only one who fell in love.  
There never really was the two of us.  
And maybe my all just wasn't good enough.  
Was I the only one, the only one, in love?

When you told me that I was a star in the sky,  
Baby I believed every word.
