You've tried saying everything you think I want to hear  
Picked up your calls one too many times  
The reception where I am isn't all that clear  
So I'll tell you while I have you on the line

I think I'm breaking up  
Not because I'm out of range  
Or that every other word I say  
Ain't getting through  
I think I'm breaking up  
Now this conversation's done  
Incase you didn't know I'm the one  
You're 'bout to lose  
Baby I'm hanging up  
'Cause I'm breaking up with you

We lost our connection when you let her come between  
Everything we had up 'till now  
What's that you're saying boy?  
I'm not trying to be mean  
But your apologies are cutting out

Chorus

Don't bother calling me again  
We didn't lose our signal in the wind
