I like to hold his hand  
And he likes to hold mine too  
There's not a lot you need to understand  
It's just hugging and kissing all day long  
Everything's right nothing's wrong

I've got a really good feeling here  
And I'm laying it all on the line  
I really think it's love this time  
And you ask me how I know  
Well you know  
When it's infinite x's and o's  
X's and o's

You know that tree in my backyard?  
Well I went out on a limb  
I carved our names inside a heart  
Cause we're together every minute but it's never too  
much  
And eternity's not long enough

I've got a really good feeling here  
And I'm laying it all on the line  
I really think it's love this time  
And you ask me how I know  
Well you know  
When it's infinite x's and o's  
X's and o's

And when he writes me a note  
This is how it always goes  
I love you, I love you, I love you,  
Signed infinite x's and o's

I've got a really good feeling here  
And I'm laying it all on the line  
I really think it's love this time  
And you ask me how I know  
Well you know  
When it's infinite x's and o's  
X's and o's
