Look

There is a white blanket over us
A fire place, the Christmas tree
Thousand of little lights above us
And I am feeling so so happy

Tonight's the night for us, the children
To get the present we've been dreamin' of
It's Christmas, c'est Noël
C'est Noël, it's Christmas
It's Christmas, c'est Noël
C'est Noël, it's Christmas

There is something up in the air
A nice feeling of holiness
For all of us it's time to share
With everyone our happiness

Tonight's the night for us, the children
To get the present we've been dreamin' of

It's Christmas, c'est Noël
C'est Noël, it's Christmas
It's Christmas, c'est Noël
C'est Noël, it's Christmas

Come on, everybody
Dancin' under the Christmas tree
Don't you want to party with me

Come on now everyone
Allo maman, c'est Noël
Et tout le monde se réveille
Christmas time
Danse, danse
Oh, c'est Noël

It's Christmas, c'est Noël
C'est Noël, it's Christmas
It's Christmas, c'est Noël
C'est Noël, it's Christmas

C'est, it's Chrismtas, c'est No?l
C'est No?l, it's Christmas
C'est No?l...
