Listen to me
Won't you please
What goes a piece of my mind

I'm into him and
He loves me
So why won't you at least try
To give him a chance for me
the two of you have to meet
Just cause I told ya
Hes older
You forbid us to even speak

(ahhhhhhh)
I wish that you could see that i..
..im not a little girl anymore
When you proceed to fly like this
You make me wanna walk out the door.
I dont care what they say
Im gonna get out tonight
Ima fly tonight
Im gonna do it my way
Im gonna get out tonight
Ima be alright
So im leavin (leavin leavin)
And im gonna see you (see you see you)
Yes im leavin (leavin leavin)
Im gonna get out tonight
Ima be alright

Dont get me wrong
I understand
That your lookin out for my heart
What you don't know is when you act like this
Your the one breakin my heart

You don't have to be that way for me
I listen to everything you say to me
You told me to find somebody
Who will treat me better than a queen

(ahhhhhhh)

I wish that you could see that i..
..im not a little girl anymore
When you proceed to fly like this
You make me wanna walk out the door.

I dont care what they say
Im gonna get out tonight
Ima fly tonight
Im gonna do it my way
Im gonna get out tonight
Ima be alright
So im leavin (leavin leavin)
And im gonna see you (see you see you)
Yes im leavin (leavin leavin)
Im gonna get out tonight
Ima be alright

If you could only see
Just how good he treats me
Then everything you feel would take a vaccine
If you could only see
Just how good he treats me
Then everything you feel would take a vaccine
I dont care what they say
Im gonna get out tonight
Ima fly tonight
Im gonna do it my way
Im gonna get out tonight
Ima be alright
So im leavin (leavin leavin)
And im gonna see you (see you see you)
Yes im leavin (leavin leavin)
Im gonna get out tonight
Ima be alright
So im leavin (leavin leavin)
And im gonna see you (see you see you)
Yes im leavin (leavin leavin)
Im gonna get out tonight
Ima be alright
