Oh, oh, oh, oh
Oh, oh, oh, oh

Tell me who, tell me when
Tell me where or tell me why
Tell me who, tell me who, tell me who
Tell me who, tell me why (My intuition)

Do-oooh-oooh

Over you

And that I not that knock somebody say
There's no error way (Your way, your way)
But I'm already caught you in my head

Suddens going on
You put my finger on it
Suddens going on
Don't wanna lay or roll it
Tell me so if you wrong
But the feelings so stro-o-ong

Call a female
Intuition
I can feel your
Competition
When we kissin'
Something missin'
Call a female
Intuition (My intuition)

Effect for me

Eeee!

Every year was searchin' of your fault
Come out to my breath (My breath, my breath)
Is now I knew that missin' all my cost? When it that way

Suddens going on

You put my finger on it
Suddens going on
Don't wanna lay or roll it
Tell me so if you wrong
But the feelings so stro-o-ong

Call a female (My intuition)
Intuition
I can feel your
Competition
When we kissin'
Something missin'
Call a female
Intuition (My intuition)
...

Suddens going on
You put my finger on it
Suddens going on
Don't wanna lay or roll it
Tell me so if you wrong
But the feelings so stro-o-ong

Call a female (My intuition)
Intuition
I can feel your
Competition
When we kissin'
Something missin'
Call a female
Intuition (My intuition)

Tell me who, tell me when
Tell me where or tell me why
Tell me who, tell me when
Tell me where or tell me why

Tell me who, tell me when
Tell me where or tell me why
Tell me who, tell me who, tell me who
Tell me who, tell me why

Tell me who, tell me when (My intuition)
Tell me where or tell me why
Tell me who, tell me when (My intuition)
Tell me where or tell me why

Tell me who, tell me when (My intuition)
Tell me where or tell me why
Tell me who, tell me who, tell me who
Tell me who, tell me why (My intuition)
