I don't know, what I'm supposed to do anymore  
cause I've really searched high and low just to find  
but it gets too rough, and I feel like just givin up  
sometimes I feel like theres way too much on my mind

Is it you? Is it me? Is it us? Is it we? Is it him?  
Is it them? I don't know what it is, is it her? Is it love?  
Is it lust? Is it trust? Is it here? Is it there?  
I don't know, tell me where  
cause I've been lookin lookin for love in the wrong  
places  
lookin lookin for love in the wrong places (2x)  
now that I, broken my heart a thousand times  
I finally realize,  
reason why, so now I'm workin,  
I'm stoppin it from hurtin  
so much from now on thinkin  
that I should give him love another try  
Is it you? Is it me? Is it us? Is it we? Is it him?  
Is it them? I don't know what it is, is it her? Is it love?  
Is it lust? Is it trust? Is it here? Is it there?  
I don't know, tell me where  
cause I've been lookin lookin for love in the wrong  
places  
lookin lookin for love in the wrong places (2x)  
(Is there anybody out there, put your hands up lookin  
for love  
I can help you find it, is there anybody out there, put  
your  
hands up, lookin for love you can truly find it)  
Is there anybody out there? lookin for love,  
I can help you find  
it, is there anybody out there? lookin for love,  
can you help me find it  
cause I've been lookin lookin for love in the wrong  
places  
lookin lookin for love in the wrong places (4x)
