Bet you thought that i'd be broken.  
Mascara streakin' down my cheek.  
Devastated, out the door way;  
In a daze, a state of disbelief.  
I bet you liked that; seeing me get mad.  
But, baby i wont satisfy your need.  
I've already been there, done that.  
I'll be fine, even if you leave.

Ahh ha ha ha ahh oh  
I dont need you anymore;  
Ahh ha ha ha ahh oh  
And don't you know,

That you, were the one that made me strong;  
You made me stand up on my own,  
With every cruel intention, you helped me find my  
Independence.  
Yeah it's all because of you,  
That i have the strength i do,  
To turn my pain to passion, instead of crashin'.  
Boy i'm thankin' you.  
Ahh ha ha ha ahh oh  
Boy i'm thankin' you.  
Ahh ha ha ha ahh oh

Thinking back on how you changed me,  
Everytime, you tried to put me down.  
Even though you really hurt me,  
Underneath, myself is what i found.  
So take a look inside these eyes now,  
And say the things you want to say to me.  
Cuz i've already spread my wings out;  
And your the one, the one who set me free.

Ahh ha ha ha ahh oh  
I dont need you anymore  
Ahh ha ha ha ahh oh  
And don't you know,

That you were the one that made me strong,

You made me stand up on my own  
With every cruel intention you helped me find my  
Independence  
Yeah it's all because of you  
That i have the strength i do  
To turn my pain to passion instead of crashin'  
Boy im thanking you,

For all the tears i cried  
For all the sacrafice  
For all the drama  
'cuz in the end it made me stronger  
So trust me i'll be fine  
Baby i'll survive  
Without you, in my life, but i want you to know

That you  
Were the one that broke my heart  
But i won't fall apart  
No. im so moving on  
Cuz babyyy

You were the one that made me strong,  
You made me stand up on my own  
With every cruel intention you helped me find my  
Independence  
Yeah it's all because of you  
That i have the strength i do  
To turn my pain to passion instead of crashing

Boy i'm thanking you,  
One that made me strong  
Ahh ha ha ha ahh oh  
Boy i'm thankin you  
One that made me strong  
Boy i'm thankin you  
Ahh ha ha ha ahh oh  
Boy i'm thanking you  
Ahh ha ha ha ahh oh  
(laughter)
