It's a shame
That we can't say
(That our hearts are filled
With joy and laughter)
No such thing
That's why I pray
(Each generation need
The one to take after)
I hear a voice
It calls my name
(Jordyn Taylor
Won't you send
Them my praises)
Take a look frame by frame
(The Bible tells us
If you look through the pages)

The Lord's talkin to me
He said there's way
Too much hate
In the world today
The Lord's talkin to me
He said it hurts His heart
Just to hear these things
The Lord's talkin to me
He said there's way
Too much hate
In the world today
Our Lord's talkin to me
And I thinks it's time
That we
Should change our ways

I can't believe
All the all the time
People waste tellin' lies
And playin' games
(Too many broken promises
Have been thrown his way)
And I know that when He
Died on the cross
All our sins washed away

Just look to the Lord
Open your hearts
And let His love inside
Yeah

The Lord's talkin to me
He said there's way
Too much hate
N the world today
The Lord's talkin to me
He said it hurts His heart
Just to hear these things
The Lord's talkin to me
He said there's way
Too much hate
In the world today
Our Lord's talkin to me
And I thinks it's time
That we
Should change our ways
