(If ya like
Kisses really like
If ya wanna like
That'll be alright
I wanna be ya gurl
I wanna be ya gurl)

Something about you
I can't explain
And boy I can't deny
As I seen you
Walking by
It's your smile
That caught my eye
No intentions
On hesitate
And this I know
For sure
I can't let you go

I got to make ya
(Make ya)
Feel it
(Feel it)
Pressure
(Pressure)
Building
(Building) up
I don't play
The game to lose
Something
That I aim to prove
I'm what's missing
(Missing)
Pay attention
Please don't question
Boy, just listen up
I just want to say
I know

Even though
I ain't your gurl

Lemme make
That choice for you
I, I know
I, I know I want you
Even though
I ain't ya gurl
Lemme make
The choice for you
I, I know
I, I know I want you

And I can
Seriously say
I'm so amazed
And I love
Your swagger
Your style
Your walk
How you whisper
When you talk
I'm not trying
To play no games
Hear me when I say
I know
I can't let you go

I got to make ya
(Make ya)
Feel it
(Feel it)
Pressure
(Pressure)
Building
(Building) up
I don't play
The game to lose
Something
That I aim to prove
I'm what's missing
(Missing)
Pay attention
Please don't question
Boy, just listen up
I just want to say
I know

Even though
I ain't your gurl
Lemme make
That choice for you
I, I know

I, I know I want you
Even though
I ain't ya gurl
Lemme make
The choice for you
I, I know
I, I know I want you

If ya like
Kisses really like
If ya wanna like
That'll be alright
I wanna be ya gurl
(Oooh, c'mon
And make my dreams
Come true)

If ya like
Kisses really like
If ya wanna like
That'll be alright
I wanna be ya gurl
