Me gusta el olor que tiene la mañana  
I like the scent that the morning has  
Me gusta el primer traguito de café  
I like the first sip of coffee  
Sentir como el sol se asoma en mi ventana  
To feel as the sun appears in my window  
Y me llena la mirada de un hermoso amanecer.  
And gives me a full view of a beautiful sunrise.

Me gusta escuchar la paz de las montañas  
I like to listen to the peace of the mountains  
Mirar los colores del atardecer  
To look at the colors at dusk  
Sentir en mis pies la arena de la playa  
To feel in my feet the sand of the beach  
Y lo dulce de la caña cuando beso a mi mujer.  
And it's like sweetness from the cane when I kiss my woman.

Sé, se que el tiempo lleva prisa pa' borrar me de la lista  
I know, that as time passes in a hurry it erases my list  
Pero yo le digo que....  
But I tell it that....

Aaaaaay, que bonita es esta vida  
Ooooooh, that this life is pretty  
Aunque a veces duela tanto  
Although at times so much grief  
Y a pesar de lo pesares

And despite its weight on you  
Siempre hay alguien que nos quiere  
There is always someone that wants us  
Siempre hay alguien que nos cuida.  
There is always someone that takes care of us.  
Ay ay ay aaaaaay, que bonita es esta vida  
Oh oh oh ooooooh, that this life is pretty  
Y aunque no sea para siempre  
And although it won't last forever  
Si la vivo con mi gente es bonita hasta la muerte  
If I live it with my people it's pretty until death

Con aguardiente y tequila.  
With aguardiente and tequila.

ÂiBrindemos por la vida, es linda!  
Let's drink to life, it's beautiful!  
ÂiQuiÃ©rela! ÂiQuiÃ©rela!  
Love it! Love it!

Me gusta escuchar la voz de una guitarra  
I like to listen to the voice of a guitar  
Brindar por aquel amigo que se fue  
To make a toast for my friend that is gone  
Sentir el abrazo de la madrugada  
To embrace the early morning  
Y llenarme la mirada de otro hermoso amanecer.  
As it gives me a full view of another beautiful sunrise.
