Carly Rae Jepsen
"Guitar String Wedding Ring"

You were here
And then you left
Now there's nobody nobody
Now they're all just second best
There's nobody nobody
So if you want me
I'll be around
You're a bird in the water
I'm a fish on the ground
Just hold me closer
Oh won't you hold me down tonight
But if you cut a piece of guitar string
I would wear it like it's a wedding ring
Wrapped around my finger
You know what I mean
You play my heartstrings
If you cut a piece of guitar string
I would wear it
This is the real thing
Wrapped around my finger
You know what I mean
You play my heartstrings
When you're near
I feel the best
I'm somebody somebody
It's in my pulse
It's in my chest
My whole body whole body
So if you want me
I'll be around
You're a bird in the water
I'm a fish on the ground
Just hold me closer
Oh won't you hold me down tonight
But if you cut a piece of guitar string
I would wear it like it's a wedding ring
Wrapped around my finger
You know what I mean
You play my heartstrings
If you cut a piece of guitar string
I would wear it
This is the real thing

Wrapped around my finger
You know what I mean
You play my heartstrings
Youâ€™re in the country
And Iâ€™m in the town
Youâ€™re a bird in the water
Iâ€™m a fish on the ground
And I wanna be there
For you tonight
And I hope you hear me
Baby hold on tight
Hold on tight
Yeah
If you cut a piece of guitar string
I would wear it like itâ€™s a wedding ring
Wrapped around my finger
You know what I mean
If you cut a piece of guitar string
I would wear it like itâ€™s a wedding ring
Wrapped around my finger
You know what I mean
You play my heartstrings
If you cut a piece of guitar sting
I would wear it
This is the real thing
Wrapped around my finger
You know what I mean
You play my heartstrings
