You were here
And then you left
Now there's nobody nobody
Now they're all just second best
There's nobody nobody
So if you want me
I'll be around
You're a bird in the water
I'm a fish on the ground
Just hold me closer
Oh won't you hold me down tonight
But if you cut a piece of guitar string
I would wear it like it's a wedding ring
Wrapped around my finger
You know what I mean
You play my heartstrings
If you cut a piece of guitar string
I would wear it
This is the real thing
Wrapped around my finger
You know what I mean
You play my heartstrings
When you're near
I feel the best
I'm somebody somebody
It's in my pulse
It's in my chest
My whole body whole body
So if you want me
I'll be around
You're a bird in the water
I'm a fish on the ground
Just hold me closer
Oh won't you hold me down tonight
But if you cut a piece of guitar string

I would wear it like it's a wedding ring
Wrapped around my finger
You know what I mean
You play my heartstrings
If you cut a piece of guitar string

I would wear it
This is the real thing
Wrapped around my finger
You know what I mean
You play my heartstrings
You're in the country
And I'm in the town
You're a bird in the water
I'm a fish on the ground
And I wanna be there
For you tonight
And I hope you hear me
Baby hold on tight
Hold on tight
Yeah
If you cut a piece of guitar string
I would wear it like it's a wedding ring
Wrapped around my finger
You know what I mean
If you cut a piece of guitar string
I would wear it like it's a wedding ring
Wrapped around my finger
You know what I mean
You play my heartstrings
If you cut a piece of guitar sting
I would wear it
This is the real thing
Wrapped around my finger
You know what I mean
You play my heartstrings
