

Carly Rae Jepsen "Kiss"

Visit "[Kiss](#)" on MotoLyrics.com

I went out last night
I'm going out tonight again
Anything to capture your attention
And she's a real sweet girl
And you know i got a boy
Details we both forgot to mention
And you I always know where you are
And you always know where I am
Were taking it way to far
But I don't want it to end

This kiss is something I can't resist
Your lips are undeniable
This kiss is something I can't risk
Your heart is unreliable
Some things so sentimental
You make so debtrimental
I wish it didn't feel like this
Cause I dont want to miss this kiss
I don't want to miss this kiss

You know your just my type
And your eyes are locking key
To my heart tempting my convection
And your a real hot thing
But you know I've got a boy
Somewhere so can you feel the tension
And you I'm dancing the way you are
And you dancing the way I am
Were taking it way to far
But I don't want it to end

This kiss is something I can't resist
And lips are undeniable
This kiss is something I can't risk
Your heart is unreliable
Some things so sentimental
You make so debtrimental
And I wish it didn't feel like this
Cause I dont want to miss this kiss
But if you ask me to couldn't I couldn't I
Your leaning closer and shouldn't I shouldn't I

And if you ask me to couldn't I couldn't I

This kiss is something I can't resist
Yours lips are undeniable
This kiss is something I can't risk
Your heart is unreliable
Some things so sentimental
You make so detrimental
I wish it didn't feel like this
Cause I don't want to miss this kiss
I wish it didn't feel like this
I don't want to miss this kiss
