had a crush and oh he crushed me
you don't want to go there, trust me
so you play a real tough game, i see.
you're barely tickling me, fresh air,
a rainy new walk in newfoundland
we just met and i wish we could be holding hands
took a drink with all uncles in time,
yeah we talked a bit, yeah we messed around oh
little map of the world in your eyes
awkward send-off, there was no kiss goodbye
thought about what it might have been like the whole
way home

oh, how do you think it goes with those tiny little bows?
it keeps me on my toes, yeah it keeps me on my toes
wonder if he knows how deep the arrow goes
that's for me to know, that's for me to know and you to
wonder

can't sleep the air's too tight,
it's like nothing's wrong, but something ain't right
you're the wild, wild wind, i'm a brand new flying kite

don't let me down, just keep me dancing around up
here
well last week i'd swear that i was over this
butterflies from the very first not even a kiss, oh how
can i go on like this?

oh, oh how do you think it goes with those tiny little
bows?
it keeps me on my toes, yeah it keeps me on my toes
wonder if he knows how deep the arrow goes
that's for me to know, that's for me to know,
that's for me to know, that's for me to know, and you to
wonder

oh cupid, could it be love yeah?
and could it be that everything i want is really possible?
yeah oh, oh how do you think it goes with those tiny
little bows?
it keeps me on my toes, yeah it keeps me on my toes

wonder if he knows how deep the arrow goes
that's for me to know, that's for me to know,
that's for me to know, that's for me to know, and you to
wonder.
