You got your way with me now didn't cha  
And I don't know why  
Things you do are things we've done before  
Don't you be lookin' at  
me darlin'  
With your sneaky eyes  
Now what could you be lookin' at me for  
Sometimes when I'm lonely I close my eyes  
Some nights when I can't sleep I fantasize  
Hard to believe that you're right here tonight  
I'm goin' out of my mind  
Uh oh uh oh uh oh uh oh uh oh ohhh  
I think  
This could be  
The one night  
I give in to this fight  
Boy I just might  
Cause you rule my head  
I can't stop the motion  
Hold me  
Be the way you told me  
Whisper somethin' so sweet  
This could be the night  
Wrong feels so right  
This could be the night  
Wrong feels so right  
Breakin' my heart to see you lover  
And I don't know why  
Things you say are things you've said before  
~Stead of the truth  
I swear you'd stick a needle in your eye  
Now what could you be lookin' at me for  
Sometimes when I'm lonely I close my eyes  
Some nights when I can't sleep I fantasize  
Hard to believe that you're right here tonight  
I'm goin' out of my mind  
Uh oh uh oh uh oh uh oh uh oh ohhh  
I think  
This could be  
The one night  
I give in to this fight  
Boy I just might

Cause you rule my head  
I can't stop the motion  
Hold me  
Be the way you told me  
Whisper something so sweet  
This could be the night  
Wrong feels so right  
Tell me what was I supposed to do  
With that type of attention  
I gave all that I had to you  
You forgot to mention  
When you say that your heart is true  
It's just an invention  
But not your intention  
Ohh  
Tell me what was I supposed to do  
With that type of attention  
I gave all that I had to you  
You forgot to mention  
When you say that your heart is true  
It's just an invention  
But not your intention  
I think  
This could be  
The one night  
I give in to this fight  
Boy I just might  
Cause you rule my head  
I can't stop the motion  
I can't stop the motion  
I can't stop the motion  
Stop the motion  
Stop the motion  
Wrong feels so right  
This could be the night  
Wrong feels so right  
This could be the night  
Wrong feels so right
