Troubled in mind, I'm blue
But I won't be blue always
You know the sun gonna shine in my back
My back door someday

Baby's gone, Lord she's is gone
She won't be gone always
You know that sun gonna shine in my back
My back door someday

Take a walk, Lord, you got to take a walk
By that lonesome red road round
Let that [Incomprehensible]
Pass upon my worried mind

Take a walk down by that river
I'm gonna take my rockin' chair
And if them blues don't leave me
Gonna rock away from here

Troubled in mind, Lord, I'm blue
I won't be blue always
You know that sun gonna shine in my back door
You know that sun gonna shine in my back door
You know that sun gonna shine in my back
My back door someday
