Chico don't be discouraged. The Man he aint so hard to understand.

Chico if you try now I know that you can lend a helping hand.

Because there's good in every one, and a new day has begun.

You can see the morning sun if you try.

And I know things will be better. I know they will for Chico and The Man.

Well, The Man, he don't trust you. He thinks you try to bust up all his dreams.

But The Man, he don't know now, that you got your own crazy plans and schemes.

Well there's good in every one, and a new day has begun.

You can see the morning sun if you try.

And I know things will be better. Oh yes they will for Chico and The Man.

Yes they will for Chico and The Man. Even though he funny he don't understand, yay.

Oye mi Chico. Chico.

Vamos al vacilon.

Mira!

Caminando por la calle de Los Angeles.

Chico se encuentra solo, como yo me encuentre una vez.

Oye, Chico vamos a vacilon.

Vamos va vamos vacilon

Oye

Yo me voy y yo me voy que yo me voy

Dudu du du du dudu du dudu du

Oye mi Chico. Chico si si. HmMMM hmMMM

Chico and the man. Chico and the man

Don't get in trouble with the man.
