Don't let the sun catch you cryin'
The night's the time for your tears
Your heart may be broken tonight
But remember when the morning bright
Don't let the sun catch you cryin'

The night time shadows disappear
And with them go all your tears
Oh, the sunshine will bring joy
To every girl and boy
So don't let the sun catch you cryin'

We know that cryin's not a bad thing
So save your cryin' for the best things, yeah

It may be hard to discover
That you'll be left for another
But you've gotta remember, remember love, that love's
a game
And if you want it, it can always come again
So don't let the sun catch you cryin'

Don't let the sun catch you cryin', oh no, oh no
