You know that it would be untrue
You know that I would be a liar
If I was to say to you
Girl, we couldn't get much higher

Come on baby, light my fire
Come on baby, light my fire
Try to set the night on fire

The time for hesitation's through
There's no time to wallow in the mire
Darling we could only lose
And our love become a funeral pyre

Come on baby, light my fire
Come on baby, light my fire
Try to set the night on fire

Well, you know that it would be untrue
And you know that I would be a liar
If I was to and tell you
Mama we couldn't get much higher, yeah

Come on baby, light my fire
Come on baby, light my fire, yeah
Try to set the night on fire, yeah hey

Come on baby, light, light my fire, yeah
Come on baby, light my fire don't you know it's alright
Light my fire, light my fire, light my fire, oh
Light my fire, light my fire, light my fire, yeah girl

Girl you better light my fire, yeah
You better light, you better light, you better light my
fire
And we're gonna get much higher
Oh, come on girl, you know I love you girl
You know I need you babe, come on baby, light, light,
light

Light my fire, light my fire, light my fire
Light my fire, light my fire, light my fire

Light, light, light, light, light, light, my, my fire
Light, light, light, light, light my fire girl
Well, light my fire girl
