If I loved you,
time and again I would try to say
All I'd want you to know.
If I loved you,
Words wouldn't come in an easy way,
'Round in circles I'd go.
Longin' to tell you, but afraid and shy,
I'd let my golden chances pass me by!
Soon you'd leave me,
Off you would go in the mist of day,
Never, never to know
How I loved you,
If I loved you.

guy- well anyway you don't love me thats what you said
wasn't it?
girl-yes
guy-your a funny kid don't remember ever meeting a
girl like you
say are you trying to get me to marry you?
girl- oh no
guy- well then whats put it in my head. i wonder what'd
it be like
girl-what
guy-nothing, i know what'd it be like it'd be awful, i can
just see myself
Guy:
kind of scrawny and pale
pickin at my food
and lovesick like any other guy
i'd throw away my sweaters
and dress up like a dude in a diggy and a collar and a
tie
if i loved you
and somehow i can see just exactly how i'd be
if i loved you
time and again I would try to say
All I'd want you to know.
If I loved you,
Words wouldn't come in an easy way,
'Round in circles I'd go.
Longin' to tell you, but afraid and shy,

I'd let my golden chances pass me by!
Soon you'd leave me,
Off you would go in the mist of day,
Never, never to know
How I loved you,
If I loved you.
