baby sneezes
mommy pleases
daddy breezes in
so good on paper
so romantic
so bewildering

i know nothing stays the same
but if you're willing to play the game
it's coming around again
so don't mind if i fall apart
there's more room in a broken heart

pay the grocer
fix the toaster
kiss the host goodbye
then you break a window
burn the soufflÃ©
scream the lullaby

i know nothing stays the same
but if you're willing to play the game
it's coming around again
so don't mind if I fall apart
there's more room in a broken heart

and i believe in love
but what else can i do
so in love with you
i know nothing stays the same
but if you're willing to play the game
it's coming around again

baby sneezes
mommy pleases
daddy breezes in
I know nothing stays the same
but if you're willing to play the game
it will be comin' around again

[BACKGROUND ENSEMBLE]

the itsy bitsy spider climbed up the water spout
down come the rain and washed the spider out
out come the sun and dried up all the rain
and the itsy bitsy spider climbed up the spout again

[ALL]

the itsy bitsy spider climbed up the water spout
down come the rain and washed the spider out
out come the sun and dried up all the rain
and the itsy bitsy spider climbed up the spout again

i believe in love
now who knows where or when
but it's coming around again

the itsy bitsy spider climbed up the water spout
down come the rain and washed the spider out
out come the sun and dried up all the rain
and the itsy bitsy spider climbed up the spout again

i know nothing stays the same
but if you're willing to play the game
it's coming around again
