(Hoagy Carmichael)

I get along without you very well
Of course I do
Except when the soft rains fall
And drip from the leaves, then I recall
The thrill of being sheltered in your arms
Of course I do
But I get along without you very well

Iâ€™ve forgotten you just like I should
Of course I have
Except to hear your name
Or someoneâ€™s laugh that is just the same

But Iâ€™ve forgotten you just like I should

What a guy
What a fool I am
To think my breaking heart could kid the moon
Whatâ€™s in store
Should I phone once more
No itâ€™s best that I stick to my tune

I get along without you very well
Of course I do
Except perhaps in Spring
But I should never think of Spring
For that would surely break my heart in two
