I have a life inside  
That's all mine  
I feel it growing strong  
Inside of me now  
As I lay here on my bed, I know  
My days ahead won't be alone

Can't you see a change in my face  
I'm a stranger to myself in so many ways  
I have lived inside a storm before  
But now I'm living for something more

And I've been a child  
A tomboy tough and wild  
Ready for a fight

But now I get to be  
Somebody new for me  
As I hold you

And if you heard my story  
You wouldn't be ashamed of me at all  
Forgive me if I dream out loud  
But I love you like that man I loved  
Seeing you would make him feel so proud

And I've been a child  
A tomboy tough and wild  
Ready for a fight

But now I get to be  
Somebody new for me  
As I hold you gently  
And kiss your sleepy eyes
