(Bob Marley)

I wanna love you  
And treat you right  
I wanna love you  
Every day and every night  
We'll be together with a roof  
Right over our head  
We'll share the shelter of my single bed  
We'll share the same room,  
God will provide the bread

Chorus:

Is this love, is this love, is this love, is this love  
That I'm feeling  
Is this love, is this love, is this love, is this love  
That I'm feeling  
I'm willing and able  
So I throw my cards on the table

I wanna love you  
And treat you right  
I wanna love you  
Everyday and every night  
We'll be together with a roof

Right over our heads  
We'll share the shelter of my single bed  
We'll share the same room  
God will provide the bread

Is this love, is this love, is this love, is this love  
That I'm feeling  
Is this love, is this love, is this love, is this love  
That I'm feeling I wanna know, wanna know, wanna  
know now

Chorus

I wanna love you  
I wanna treat you right  
I wanna love you

Everyday and every night  
We'll be together with a roof right over our heads  
We'll share the shelter, yeah, of my single bed  
We'll share the same room  
God will provide the bread
