(Mike McDonald)

Where you gonna go
Where are you gonna hide?
You go on leaving out your heart
And all it's saying deep inside

I can feel your love heart beat
You got me all wrong
You don't have to worry
You just been lonely too long
I know what it means to hide your heart
>From long ago -

(Chorus)
It keeps you running

It keeps you running etc.

I know how you feel
You know I been there
But what you've been keeping to yourself
Well you know it just ain't fair

Are you gonna worry
For the rest of your life
Why are you in such a hurry
To be lonely one more night?
I know what it means to hide your heart
>From a long time ago -
