The itsy bitsy spider climbed up the water spout  
Down came the rain and washed the spider out  
Out came the sun and dried up all the rain  
And the itsy bitsy spider climbed up the spout again

I believe in love  
And who knows where or when  
But it's comin' around again

The itsy bitsy spider climbed up the water spout  
Down came the rain and washed the spider out  
Out came the sun and dried up all the rain  
And the itsy bitsy spider climbed up the spout again

I know nothin' stays the same  
But if you're willing to play the game  
It's comin' around again

The itsy bitsy spider climbed up the water spout  
Down came the rain and washed the spider out  
Out came the sun and dried up all the rain  
And the itsy bitsy spider climbed up the spout again
