[Chingy]

What's up y'all?

It's Chingy slot a lot in the house

We got Jackpot The Pimp in the back

We came herre today to address a certain issue

That all you young playas need to know about, for real

[Hook: Chingy]

Juice these hoes (what)

Juice these hoes (say it)

All my playas grab ya nuts

And juice these hoes (c'mon)

Juice these hoes (what)

Juice these hoes (say it)

All my playas grab ya nuts

And juice these hoes (you tell her)

Trick get back (uh)

Trick get back (you tell her)

Trick get back fo' yo ass get smacked (you tell her)

Trick get back (what)

Trick get back (you tell her)

Trick get back fo' yo head get cracked

[Verse 1: Chingy]

You can't fool me ho, wit that movie star role

Take yo ass to the sto', get a job and blow

Why should I love ya? why should I kiss ya?

Gang of cats banged ya, that's why I diss ya

I'ma paint a picture, didn't them gang hit ya?

Now you want me to play Sugar Daddy all wit ya

Crazy as a mental patient in a wheelchairr

Take that weave out, and go get some real hairr

Let's play Truth or Darre

Is it true that you gave head in a phone booth

Girl that shit aint you, but oh, you don't carre

When I'm out I see you sharre

I don't wanna fuck, I wanna get in them pockets

But first I gotta G, aint too fairr

I claim Dip, my set, your strip, your check, my grip

Trick, set out them lips, and them hips

[Bridge: Chingy]

Ho you can't get a dolla from me (Not one dolla)  
A playa is yo man-to-be (That's me)  
You are the weakest link, girl you I don't need (go on  
bout ya biz)  
All my cats, won't you say it wit me, we...

[Hook: Chingy]

[Verse 2: Chingy]

Go on wit that depressiveness, young minded  
aggressive shit  
Last in a tension click, really don't know who you  
messin' wit  
Nah I don't see no sensual shit  
Un-dis-respectful bitch, take a look at my neck-a-lace  
Bother them when you get up fo' break-fast  
You can let them pansies hit, 'til you reach my man still  
miss  
Never delt wit pressure pimp, I retire don't never simp  
Girls talk, dudes do it, I aint herre to impress a chick  
My lesson is never sweat a chick, put em up front just  
like Letterman  
I'm a better Cris, she better than the last freak that exit  
chick  
She liked to be rubbed wit Panathan  
Talk what you like and get her ends

[Bridge: Chingy]

Ho you can't get a dolla from me (Not one dolla)  
A playa is yo man-to-be (That's me)  
You are the weakest link, girl you I don't need (go on  
bout ya biz)  
All my cats, won't you say it wit me, we...

[Hook: Chingy]

[Verse 3: Chingy]

They done did us so many times I gotta do these hoes  
Quit lookin at me, y'all funny I don't care if you these  
hoes  
This how I view these hoes, hata use these hoes  
Use these hoes for what they worth then lose these  
hoes  
Pimp's spelled wit 2 P's hoe, I know that you see O's  
In my checkbook and my neck huh, it's usually fro's  
I like ya groupie hoes, just come to me show  
Gettin' rub without child support, now sue me hoe  
Cuz..

[Bridge: Chingy]

Ho you can't get a dolla from me (Not one dolla)  
A playa is yo man-to-be (That's me)  
You are the weakest link, girl you I don't need (go on  
bout ya biz)  
All my cats, won't you say it wit me, we...
