We have no secrets
We tell each other everything
About the lovers in our past
And why they didn't last

We share a cast of characters from A to Z
We know each others fantasies
And though we know each other
Better when we explore

Sometimes I wish
Often I wish
That I never knew
Some of those secrets of yours

The water was cold
The beach was empty but for one
Now you were lying in the sun
Wanting and needing no one

Then some child came you never asked for her to
come
She drank a pint of your rum
And later when you told me you said she was a bore

Oh, sometimes I wish
Often I wish
That I never never knew
Some of those secrets of yours

In the name of honesty, in the name of what is fair
You always answer my questions
But they don't always answer my prayers

And though I know you say that it's me that you adore
Sometimes I wish
Often I wish
That I never never never knew
Some of those secrets of yours
Some of those secrets of yours
Some of those secrets of yours

We have no secrets
Tell each other most everything now
