(Holmes/Horsey, additional lyrics by Carly Simon)

I know Iâ€™m not what you wanted
Not what you had in mind
And I didnâ€™t come close
To the mark youâ€™d set
For the girl youâ€™d planned to find
Youâ€™ve never seen me cry
We shared but idle words
And a casual goodbye

And what shall we do with the child
Whoâ€™s got your eyes
My hair
And your smile
Reminding me that we fell in love
But just for a little while

You never asked about the girl you never knew

And while she was sleeping in my arms
She never asked about you
Without you seems the only way

But time has passed and now
Sheâ€™ll soon be asking questions
And sheâ€™ll ask about you
And how
Shall I say to the child
Whoâ€™s got your eyes, my hair, your smile
Reminding me that we fell in love
But just for a little while
What shall we do with the child
Whoâ€™s got your eyes, my hair, your smile
