(Carly Simon)

With a few good friends

And a stick or two

A house is built at a corner called Pooh

With a friend and a stick

Or three or four

A house is built where it wasn't before

With a window here

And there a door

And a nail and peg

For the coat of Eeyore

With a few good friends

And a stick or two

A house is built at a corner called Pooh

With a friend and a stick

Or three or four

A house is built where it wasn't before

Dress it down

Or dress it up

Invite Tigger for tea

And Owl for supper

With a few good friends

And a stick or two

A house is built at a corner called Pooh

With a friend and a stick

Or three or four

A house is built where it wasn't before

With a few good friends...

[Repeat and fade]
