(carly simon)

You walked into the party like you were walking onto a yacht

Your hat strategically dipped below one eye

Your scarf it was apricot

You had one eye in the mirror as you watched yourself gavotte

And all the girls dreamed that they'd be your partner

They'd be your partner, and...

You're so vain, you probably think this song is about you

You're so vain, I'll bet you think this song is about you

Don't you? don't you?

You had me several years ago when I was still quite naive

Well you said that we made such a pretty pair

And that you would never leave

But you gave away the things you loved and one of them was me

I had some dreams, they were clouds in my coffee

Clouds in my coffee, and...

You're so vain, you probably think this song is about you

You're so vain, I'll bet you think this song is about you

Don't you? don't you? don't you?

I had some dreams they were clouds in my coffee

Clouds in my coffee, and...

You're so vain, you probably think this song is about you

You're so vain, I'll bet you think this song is about you

Don't you? don't you?

Well I hear you went up to Saratoga and your horse naturally won

Then you flew your Lear Jet up to Nova Scotia

To see the total eclipse of the sun

Well you're where you should be all the time

And when you're not you're with

Some underworld spy or the wife of a close friend

Wife of a close friend, and...

You're so vain, you probably think this song is about you

You're so vain, I'll bet you think this song is about you

Don't you? don't you? don't you?
