What's the point  
If you hate, die and kill for love  
(Kill for love)  
What's the point with a love  
Makes you hate and kill for

You've got a heart on fire  
It's bursting with desire  
You've got a heart filled with passion  
Will you let it burn for hate or compassion?

What's the point  
If you hate, die and kill for love  
(Kill for love)

Makes you hate and kill for
