We'll remain
After everything's been washed away
By the rain
We will stand upright as we stand today

We'll remain
After everything's been washed away
By the rain
We will stand upright as we stand today

We'll remain
After everything's been washed away
By the rain
We will stand upright as we stand today

We'll remain
After everything's been washed away
By the rain
We will stand upright as we stand today

We'll remain
After everything's been washed away
By the rain
We will stand upright as we stand today

We'll remain
After everything's been washed away
By the rain
We will stand upright as we stand today
