What kind of lyrics  
Should I use to describe  
The kind of feelings  
That I have today

Because she is crying and she is bleeding  
In agony  
Because she is giving birth to  
So much pain  
And  
I know what you are going through  
Because you made go  
Through exactly the same things  
And I pray  
Even if when I know that won't  
Pray for me

What can we do  
When God show us his rage  
When we get hit by our arroganc(y)  
And  
What kind of man will I be  
If I face away  
I will be doing the thing that  
That I hate

So today I will stand like a man  
I will forgive and I will give you my hand  
So I will pray  
Even when I know that you won't  
Pray for me

Perhaps tomorrow will be the same  
But now she knows  
We are all the same  
And  
Please forgive my brothers  
If I cry for her  
But pain is pain that  
Will never change

But this is a lesson to learn  
Or may be a lesson  
That we will all forget  
So, I pray  
Even when I know that you won't  
Pray for me
