My head's in a jam
Can't take you off my mind
From the time we met
I've been beset by thoughts of you
And the more that I ignore this feeling
The more I find myself believing
That I just have to see you again

I can't let you pass me by
I just can't let you go
But I know that I am much too shy
To let you know
Afraid that I might say the wrong words
And displease you
Afraid for love to fade
Before it can come true

Like a child again
I'm at a loss for words
How does one define
A crush combined with longing?
Longing to possess you oh so dearly

I'm obsessed by you completely
I'll go mad if I can't have you

I can't let you pass me by
I just can't let you go
But I know that I am much too shy
To let you know
Afraid that I might say the wrong words
And displease you
Afraid for love to fade
Before it can come true

(instrumental)

I can't let you pass me by
I just can't let you go
Let me say the things and say the words
To let you know
I would rather say the awkward words

Than lose you
Or for love to fade
Before it can come true
