Beautiful girl, wherever you are  
I knew when I saw you, you had opened the door  
I knew that I'd love again after a long, long while  
I'd love again.

You said "hello" and I turned to go  
But something in your eyes left my heart beating so  
I just knew that I'd love again after a long, long while  
I'd love again.

Refrain  
It was destiny's game  
For when love finally came on  
I rushed in line only to find  
That you were gone.

Whenever you are, I fear that I might  
Have lost you forever like a song in the night  
Now that I've loved again after a long, long while  
I've loved again.

It was destiny's game  
For when love finally came on  
I rushed in line only to find  
That you were gone.

Beautiful girl, I'll search on for you  
'Till all of your loveliness in my arms come true  
You've made me love again after a long, long while  
In love again  
And I'm glad that it's you  
Hmm, Beautiful Girl.
