Thank you for the smile
That never fails to brighten my day
For the tender look
When you gaze at me with eyes
that warm my heart
For the music of your laughther,
Touch that makes my pules go faster
Thanks for all the memories of a lifetime
Thank you for the fire you have set ablaze within me
With your kisses youÂ´ve awakened
This old heart from its slumber
I feel like 17 again,
ItÂ´s all because of you
Thanks for choosing me from
all the rest
Though IÂ´m far from being the best.
Most of all I want to thank you, love,
for loving me
