Here comes old flat top  
He come grooving up slowly  
He got Joo Joo eyeball  
He one holy roller  
He got feet down below his knee  
Got to be good looking  
He's just so hot to see

He wear no shoeshine  
He got toe jam football  
He got funny finger  
He shoot Coca Cola  
He say I know you, you know me  
One thing I can tell you is  
You got to be free  
Come together, right now  
Over me

Come together  
Come together  
Come together  
Come together

He say one and one and one is three  
Hold you in his armchair  
You can feel his disease  
Come together, right now  
Over me
