Late at night when all the world is sleeping  
I'd stay up and think of you  
And I'd wish on a star  
That somewhere you are thinking of me too

Cuz I'm dreaming of you tonight  
Till tomorrow, I'll be holding you tight  
And there's nowhere in the world I'd rather be  
Then here in my room,  
Dreaming about you and me

Wonder if you even see me  
And I wonder if you know I'm there  
If you looked in my eyes  
Would you see what's inside?  
Would you even care?

I just wanna hold you close  
But so far, all I have are dreams of you  
So, I wait for the day and the courage to say  
How much I love you(Yes, I do)

I'll be dreaming of you tonight  
Till tomorrow, I'll be holding you tight  
And there's nowhere in the world I'd rather be  
Then here in my room,  
Dreaming about you and me

Ahhh... I can't stop dreaming of you  
Ahhh... I can't stop dreamin

Late at night when all the world is sleeping  
I'd stay up and think of you  
And I still can't believe that you came up to me  
And said, "I love you; I love you too"

Now I'm dreaming with you tonight  
Till tomorrow, and for all of my life  
And there's nowhere in the world I'd rather be  
Then here in my room,  
Dreaming with you endlessly...
