I can honestly say,
You've been on my mind since I woke up today
I look at your photograph all the time
These memories come back to life
And I don't mind

I remember when we kissed
I still feel it on my lips
The time that you danced with me
With no music playin'
I remember the simple things
I remember till I cry
But the one thing I wish I'd forget
The memory I wanna to forget
Is goodbye

I woke up this morning and played our song
And through my tears I sang along
I picked up the phone and then put it down
cause I know I'm wasting my time
And I don't mind

I remember when we kissed
I still feel it on my lips
The time that you danced with me
With no music playing
I remember those simple things
I remember till I cry
But the one thing I wish I'd forget
The memory I wanna forget

Suddenly my cell phone's blowing up with your ringtone
I hesitate but answer it any way
You sound so alone
I'm surprised to hear you say

You remember when we kissed
You still feel it on your lips
The time that you danced with me
With no music playing

You remember those simple things
We talked till we cried
You said that your biggest regret
The one thing you wish I'd forget
Is saying goodbye

Saying goodbye
Ooh
Goodbye
