Oh yeah

You don't have to say what's on your mind
'cause I know where you've been
give it up and leave it all behind
and then let me begin

(Bridge)

Come on hold my hand
let me show how friends should be
I will make it alright...
let me make it clear
you can put your trust in me
yes I will be there...

(Chorus)

When you need someone
you just turn around
and I will be there
when you're feeling low
baby let me know
and I will be there

Won't you let me make it up to you...
now you know where I am
there ain't nothing that I wouldn't do
just to love once again

(Bridge and Chorus)

Just take a stand
I'll be here for you
now and forever
give one more chance
just to show you how much I care
ooohhh I'll be there

When you need someone
just turn around
and I will be there
when you're in sorrow

just let me know and I will be there

(Chorus)

I'll be there.....

(I will be there)

(I will be there)

I will be there....

I will be there
