(Chorus)

It is my destiny
It is a truth I see
In this world I find
A way to CROSS THE LINE

(Verse 1)

Everybody's doin' what everybody's doin'
Everybody's doin' the same thing
I'll be doin' what i'll be doin'
I'll be doin' my thing
The world spins round, to the right they say
I'll be spinin' the other way
Doin' what i can
Doin' what i know
The world's my stage and I'm the show!

(Chorus)

It is my destiny
It is a truth I see
In this world I find
A way to CROSS THE LINE
No possibility
Originality
Don't be left behind
Go ahead and CROSS THE LINE

(Verse 2)

They say yes
I say no
Tellin' me to stay
I'm gonna go
Me gotta be who me gotta be
I gotta be who i gotta BE!

(Chorus)

It is my destiny
It is a truth I see
In this world I find
A way to CROSS THE LINE
No possibility
Originality

Don't be left behind
Go ahead and CROSS THE LINE

(Verse 3)

For the souls of those who don't know
Step on the line and be your own
Listen to the voice of spirits free
Start a new life and fly with ME (ME)

(Chorus)

It is my destiny
It is a truth I see
In this world I find
A way to CROSS THE LINE
No possibility
Originality
Don't be left behind
Go ahead and CROSS THE LINE

(Bridge)

It is my destiny
It is a truth I see
It is my destiny
A way to CROSS THE LINE
It is my destiny
It is a truth I see
It is my destiny
A way to CROSS THE LINE
