People say I'm the life of the party because i make a
joke or two
though i might be laughing loud and hearty deep
inside i am am blue SO take a good look at my face
you'll see my smile looks out of place if you look closer
its easy to trace the tracks of my tears i need you, need
you since you left me if you see me with somebody
else seem like I'm having fun although they might be
cute there's just no substitute because your the only
perfect one so take a good look at my face you'll see
my smile looks out of place if you look closer its easy to
trace the tracks of my heart i need you, need you
outside I'm masquerading inside my hope is fading
just a clown since you put me down my smile is my
make up i wear since my breakup with you so take a
good look at my face you'll see my smile looks out of
place if you look closer its easy to trace the tracks f my
tears X2
