"Abundance Of Rain"

Lately I've been feeling dry as a bone, like the Holy Spirit has found a new home,
Yet, by faith, I still can see the cloud of glory that's been so familiar to me,
My spirit's been dry and barren to rain,
Yet I hear the sound of the abundance of rain,
I'm hoping and a-trusting the drought will soon end,
and the living water will bubble again,
Well, I feel a rumble, I hear a crash, telling me the answer's on the way here at last,
I'm waiting for revival, soon to begin,
Yet I hear the sound of the abundance of rain.

Falling, f-f-falling - the rain is falling down,
Falling, f-f-falling - the rain is falling down,
Falling, rain is falling - the rain is falling down,
Falling, f-f-falling - the rain is falling down
Falling, f-f-falling - whoa.

We're needing the strength, the joy, and the power -
not yesterday, tomorrow, but here right now,
Abundantly give us what we lack, then let it flow and
flow, and flow and flow, and don't hold back,
Waiting for revival, soon to begin,
Yet I hear the sound of the abundance of rain.

Falling, f-f-falling - the rain is falling, the rain is falling
down,
Falling, f-f-falling - the rain is falling down,
Falling, rain is falling - Spirit falling down,
Falling, f-f-falling.

Lord, send the rain, let it fall,
Lord, send the rain,
Send your rain,
Lord, let it rain,
Lord, send your spirit,
Lord, send your spirit, let it fall.

Falling, f-f-falling - hey, Lord, let it rain,
Falling, f-f-falling - let it flow, let it rain,

Falling, rain is falling - Lord, let it rain,
Falling, f-f-falling - et your Spirit rain down on me,
Falling, f-f-falling - let it rain, let it rain and rain, rain
and rain,
Falling, rain is falling - let your Spirit move right now,
Falling, rain is falling - send the water for our thirsty
souls right now,
Falling, rain is falling - Lord, send the rain,
(fade)
