George Washington, Thomas Jefferson  
Samuel Adams, First Chief Justice John Jay  
Names synonymous with the spirit of our country  
Founding fathers of the U.S.A.

Over 200 years ago they shook off the chains of  
tyranny from Great Britain  
By divine call  
Citing 27 biblical violations they wrote the Declaration  
of Independence  
With liberty and justice for all

But something happened since Jefferson called the  
Bible the cornerstone  
For American liberty then put it in our schools as a light  
Or since "Give me liberty, or give me death," Patrick  
Henry said  
Our country was founded on the Gospel of Jesus Christ

We eliminated God from the equation of American life  
Thus eliminating the reason this nation first began  
From beyond the grave I hear the voices of our  
founding fathers plead  
You need God in America again

Of the 55 men who formed the Constitution  
Fifty-two were active members of their church  
Founding fathers like Noah Webster who wrote the first  
dictionary  
Could literally quote the Bible chapter and verse

James Madison said, "We've staked our future on our  
ability to follow  
The Ten Commandments with all our heart"  
These men believed you couldn't even call yourself an  
American  
If you subvert the Word of God

In his farewell address, Washington said, "You can't  
have national morality apart from religious principle,"  
and it's true  
'Cause right now we have nearly 150,000 kids carrying

guns  
To these war zones we call public schools

In the '40's and '50's student problems were chewing  
gum and talking  
In the '90's, rape and murder are the trend  
The only way this nation can even hope to last this  
decade  
Is put God in America again

The only hope for America is Jesus  
The only hope for our country is Him  
If we repent of our ways stand firm and say  
We need God in America again

Abe Lincoln said, "The philosophy of the classroom in  
one generation  
Will be the philosophy of government of the next"  
So when you eliminate the Word of God from the  
classroom and politics  
You eliminate the nation that Word protects

America is now number one in teen pregnancy and  
violent crime  
Number one in illiteracy, drug use, and divorce  
Everyday a new holocaust of 5,000 unborn die  
While pornography floods our streets like open sewers

America's dead and dying hand is on the threshold of  
the Church  
While the spirit of Sodom and Gomorrah vex us all  
When it gets to the point where people would rather  
Come out of the closet than clean it  
It's a sign that the judgment of God is gonna fall

If there's ever been a time to rise up Church, it's now  
And as the blood bought saints of the living God  
proclaim  
That it's time to sound the alarm from the Church  
house to the White House  
And say, "We want God in America again"

I believe it's time for America to stand up and proclaim  
That one nation under God is our demand  
And send this evil lifestyle back to Satan where it came  
from  
And let the Word of God revive our dying land

For Jesus Christ is coming back again in all His glory  
And every eye shall see Him on that day  
That's why a new anointing of God's power's coming on

us

To boldly tell the world you must be saved

Because astrology won't save you, your horoscope  
won't save you

The Bible says these things are all a farce

If you're born again, you don't need to look to the stars  
for your answers

'Cause you can look to the very One who made those  
stars

History tells us time and time again

To live like there's no God makes you a fool

If you want to see kids live right

Stop handing out condoms and start handing out the  
Word of God in schools

The only hope for America is Jesus

The only hope for our country is Him

If we repent of our ways

Stand firm and say

We need God in America again

We need God in America

God in America

God in America again
