CHORUS:

Do I Do
Yes, I say
Trust in You, Lord
All the way
Do I Do
Yes, I say
Trust in You
All the way

Daniel was in trouble in the lion's den
But he knew what prayer was all about
Daniels trusted God and he got out again
He didn't doubt, he didn't bend

CHORUS

Moses told the pharaoh back in Egypt land
God said, "Pharaoh, let My people go"

After many plagues, people fled and then
They headed for the promised land

CHORUS

Everything I am
Everything I'll be
Everything I'll do
You decide for me

Peter saw the Master walking on the sea
Peter said, "Can I come out to You?"
Jesus told him, "Peter, I can make it be
If all you do is trust in Me"

CHORUS
