(Chorus)

God's got an army  
Not afraid to fight  
Soldiers of the cross  
And children of the Light  
Warriors of righteousness  
With healing in their hands  
God's got an army  
Marching through the land  
Let me hear your war cry (YEAH!)  
let me hear your war cry (YEAH!)

There are people with ears to hear and the hearts to  
respond  
To spiritual needs of the nation  
We're a showcase of what He'll do when we are strong  
In Jesus to a whole generation

The world won't be the same tomorrow  
Because we're here today  
The kingdom of hell is gonna feel sorrow  
Cause our warcry is worship and praise  
Uh!

(Chorus)

The apostles and prophets are speaking forth  
Flames of revival, they are burning  
Like old Joshua we're marching out to possess  
And there's no way our minds will be turning

There's joy in the battle so we commence  
To change this nations course  
The kingdom of God suffering violence  
And the violent taken by force (Taken by force)  
HOOAH!

(Chorus)

I'm a soldier in the Army of the Lord  
I'm a soldier in the army of the Lord

We're not afraid to stand and fight  
We cast out demons left and right  
We're strong in battle, strong in prayer  
We tell Satan, "GET OUT OF HERE!"

Sound off (Jesus)  
Sound off (Is Lord)  
Sound off (Jesus is Lord, Jesus... IS LORD!)
