By faith
Abraham refused to say his life was done
By faith
When he was a hundred
Abe went and had a son
By faith
Moses snatched the Israelites
From Pharaoh's hand
By faith
Moses took them all
Into the Promised Land

I wanna be, I wanna be in that number
I wanna be, I wanna be in that number
I wanna be, I wanna be in that number
I wanna be

In the Hall of Faith
Don't you wanna be remembered?
Any boy, any girl
Can be a hero in God's world
In the Hall of Faith
Don't you wanna be remembered?

Hall of Faith. Hall of Faith.
Don't you wanna be in the Hall of Faith?
Hall of Faith. Hall of Faith.
Don't you wanna be in the Hall of Faith?

By faith
A boy named David faced Goliath with a sling
By faith
That same little boy became a great and mighty king
By faith
Daniel trusted God
Even in the lion's den

By faith
Those kitties' mouths were shut
And Dan walked out again

I wanna be, I wanna be in that number

I wanna be, I wanna be in that number
I wanna be, I wanna be in that number
I wanna be

In the Hall of Faith
Don't you wanna be remembered?
Any boy, any girl
Can be a hero in God's world
In the Hall of Faith
Don't you wanna be remembered?

Hall of Faith. Hall of Faith.
Don't you wanna be in the Hall of Faith?
Hall of Faith. Hall of Faith.
Don't you wanna be in the Hall of Faith?

I wanna be, I wanna be in that number
I wanna be, I wanna be in that number
I wanna be, I wanna be in that number
I wanna be

In the Hall of Faith
Don't you wanna be remembered?
Any boy, any girl
Can be a hero in God's world
In the Hall of Faith
Don't you wanna be remembered?
